Attention Danara

Dear All

Re All Africa Games

We thank FIDE for having given us the opportunity to participate in the All Africa Games. Without FIDE financial help our participation would have been impossible. The board and lodging was well beyond expectation. We also thank you for your support in Morocco

We have had the opportunity to meet different chess players which have been beneficial to our players.

One of our players beat an IM in the blitz competition.

Under the guidance of our FIDE President chess will make a big leap in the African Continent

Best Regards

H BHOWANY

President
