Our Fide President said in Panama (august 2018) Fide will bring the equipments and, after the metting with the continental Presidents, (on november 2018) our Fide President assign to Continental (America – Jorge Vega) this Budget. Our America President and his Executive Board in Rio (february 2019) decides bring equipments only to the federations who host CCA tournaments But, we host and CCA tournament in august 2019 and we still waiting....

People in Panama, who assist at the Fide President (in this moment candidate) presentation, and heard the promises of bring equipments, ask to our federation, and by this reason, we use part of the FIDE funding to buy equipments. But, like you can see, we have a lot of other activities when we should to use this support.
