Key Performance Indicators (KPIs) are the critical (key) indicators of progress toward an intended result.

The NCF is required to measure the effectiveness of its programmes using the KPIs listed below. It is possible that a Federation may not be able to report on a particular KPI and this will be taken into consideration at the end of the reporting period. NCFs can also make use of the 'Comments' field as required. The NCF is also allowed to include any additional KPIs that it considers to be relevant for reporting purposes.
