6. Lessons Learned/Future Improvements:

- | |
|---|
| <ul style="list-style-type: none">- When organizing children's team tournaments of a similar type, it is imperative to conduct a trial day.- In the regulations on the holding of the tournament, it is necessary to prescribe in as much detail the anti-cheating rules, or rather the meaning of the anti-cheating report of Tornelo. Otherwise, there will be additional work for the Appeals Committee.- The feedback from the captains is to have more people controlling the zoom-calls and make smaller zoom calls or use separate rooms in one zoom call. |
