On behalf of FEDERATION

President of the Congolese Chess Federation : Esungi Botetsi Guy

Date: 14 September 2021

FEDERATION CONGOLAISE DES JEUX D'ECHECS

Activity report for the 1st semester of 2021 and the celebration of the International Chess Day of July 20 .

The first semester of 2021, which has just ended, went well for chess activities in the Democratic Republic of Congo.

Despite the constraints due to the Covid 19 pandemic, we were able to organize and participate in various chess events.

The Agreement signed between FIDE and FECOJEC on July 22, 2019 was very favorable for our Federation, however it experienced many difficulties in its execution phase. Mainly taking into account three constraints: The Covid 19 pandemic, the execution time to reach and achieve the Key Performance Indicators and the financial means available to achieve them;

So much so that we had to adapt and modify our development objectives for the 2nd Semester 2020 and we could not get started until early 2021.

We attended the online forum organized by the Planning Development Commission of FIDE during which the various problems encountered by African Federations were discussed. This allows us to adjust the objectives set previously.

Given the size of our country with these 26 Provinces, we will need a large amount of equipment, trainers and financial assistance to properly popularize the practice of chess in Clubs, Schools and Universities of the DR.Congo in order to validly participate in the various regional and international competitions.

Chess Tournament in Ngeba at Kongo Central organized with the support of the Congolese Chess Federation in March 2021

The poster features a background of chess pieces on a board. At the top center is the Zuka Chess Academy logo, which includes a chess king piece and the text 'Z.U.C.A. ZUKA CHESS ACADEMY A.S.B.L.'. On the left, a yellow box contains the text '27 & 28 MARS 2021'. In the center, the main title reads 'TOURNOI DE JEU D'ÉCHEC'. On the right, a dark red box contains 'NGEBA 2021' with a small chessboard icon below it. A circular inset photo shows four men, two in suits and two in white shirts, standing with a chessboard. Below this photo is the FECOJEC logo and the text 'AVEC LE SOUTIEN DE LA FÉDÉRATION CONGOLAISE DE JEU D'ÉCHEC'. A phone icon is followed by the number '+ (243) 815 092 422'. At the bottom, the text 'ZUKA CHESS ACADEMY' is displayed, with 'JoraStromae Design +243 817 442 758' in smaller text below it.

Open Day on July 20, 2021 in the YMCA Sports Center at Kinshasa

FIDE Online Olympiad 2021

DR Congo partially participated in the Online Olympiad in Division 4 Pool D, but for three days we had serious problems with Internet connection .

Within our team only the player Gamba Karim Félix (Elo quick game 1690), residing in Lyon, was able to play and win a few Parties since there was no internet connection disruption in France.

After this event, the Congolese Chess Federation decided to buy a Router 4G , It's a very efficient device that can serve several computers with very high definition in telecommunications.

So we hope to participate effectively in the next online competitions and various teleconferences.

Ir Guy ESUNGI BOTETSI

FECOJEC Président - FIDE Delegate – AIDEF Vice-Président
