PROJECT DESCRIPTION:	<p>Polgár's Global Chess Festival, organized by the Judit Polgar Chess Foundation, is an annual event celebrating the diversity of chess, held in Budapest, Hungary. In 2024, the event extended over two days, on September 17th and 18th. Chess activities tailored for children encompassed tournaments, learning platforms, art exhibitions, and various enjoyable programs for families.</p> <p>The Educational Chess Summit is an essential part of the festival. In 2024 the central theme was Inspiration. What is inspiration? How can we effectively inspire children? How can we integrate the most effective chess-based educational programs into home education, institutional frameworks, and children's lives?</p> <p>Lectures and panel discussions featured renowned international and local experts. The conference explored how chess offers unparalleled value in nurturing young minds and equipping them with the skills essential for navigating the complexities of the future. The 45th Chess Olympiad provided a unique platform to showcase to delegates and visitors alike the myriad ways in which chess can enrich educational systems and institutions. From fostering critical thinking and strategic planning to promoting resilience and creativity, chess empowers children to become lifelong learners and adaptable problem-solvers.</p> <p>The event was a great success, with 120 visitors onsite and more than 2,500 viewers on online platforms.</p>
