

## **2021 MAURITANIAN CHESS FEDERATION REPORT**

First of all, we would like to thank FIDE through its president and its development commission for the continuity of your precious help to our federation.

Our federation for the year of 2021 received from the FIDE Development Program (PDC) an amount of 4,457 Euros (\$5,000) which was intended mainly for the development of chess in the female, prison, disabled, help to academies and national championship but given the pandemic we have not been able to increase the number of female chess players, but we will do our best to create a women's team and participate with the next chess Olympiads.

We were unable to organize chess activities with disabled, but contacted the central prison of Nouakchott and gave chess set and held a small workshop, but without being able to take photos of prisoners because it was banned, we also organized a pre-qualifying tournament for the Swiss national system championship which brought out the first ten players who will soon be doing a round robin tournament to designate the national championship, we also helped the MICA academy (Mauritanian International Chess Academy ) with 1200 \$ as agreed.

So most of its funds were directed towards the participation of our young players in the African youth chess championships in Ghana and African junior's chess championships in Liberia and who gave good results in this case the gold medal in the African youth chess championships under 14 and bronze medal at the African Junior Chess Championships.

We participate with two people in the online organizers seminar and also participate with an arbiter in the African Youth Chess Championships for obtaining the title of international arbiter.

## APPENDIX D – REPORT ON FUNDING

**NATIONAL CHESS FEDERATION (NCF): MAURITANIA**

**CONTINENT: AFRICA**

**DEVELOPMENT LEVEL: 4**

**Please complete ALL requested fields in this report.**

**1. Programme/Project Name:**

Development program for female, disabled, prison chess, National championship and academies help

**2. Programme/Project Dates:**

June 2021 to December 2021

**3. Summary of Project Outcomes:**

A large part of our program was based on women's chess, disabled and prisons, but the covid-19 pandemic blocked us in our internal activities, which is why we opted for the international participation of our young players this which was beneficial because we had the gold medal at the 2021 chess youth championships under 14 in Accra, Ghana and a bronze medal at the 2021 chess junior's championship in Monrovia, Liberia. We also held a pre-qualifying tournament for the national championship, the final which will probably take place in March, without forgetting the aid to academies and prisons.
