4. Breakdown of Funding Usage (Please provide supporting documents as far as possible):

The USD 4.900,00 was the amount arrived in Angola Federation account. Considering the exchange in June 2022, we get from that amount AOA 2.156.407,23 (two million, hundred and fifth six thousand, four hundred and seven kwanzas, twenty-three cents). So, all this amount was used for Participation of Angola team in 2022 African Youth Chess Championship with 8 players, 1 coach and head of delegation. But, the funds supported just (4) flight tickets Luanda/Lusaka/Luanda for four players.

5. Any funds not yet used? Yes No ☒

If No, please provide reasons and details on how and when the funds will be utilized:

All fund was used just in 2022 AYCC considering our leadership in the continent, at young players, and objective to get Fide titles and medals in this championship.
So, the funds supported just (4) flight tickets Lda/Lusaka/Lda for four of six elements of Angola delegation, present in the mentioned championship.

6. Lessons Learned/Future Improvements:

Our focus is working with young players, boys and girls, but actually still need much more support to succeed. Anyway, we are keeping work with chess schools and chess academies supporting them with other resource we get internally. That why we got 1 gold medal, one silver and one bronze in 2022 AYCC.
