

APPENDIX C - KEY PERFORMANCE INDICATORS

NATIONAL CHESS FEDERATION (NCF): BARBADOS CHESS FEDERATION INC.

CONTINENT: AMERICA

DEVELOPMENT LEVEL: 4

PERIOD: 2022

KEY PERFORMANCE INDICATORS (KPIs)¹ are the critical (key) indicators of progress toward an intended result.

The NCF is required to measure the effectiveness of its programmes using the KPIs listed below. At the beginning of the period, the NCF is expected to complete both the **Baseline** and **End of Period-target** values. It is possible that a Federation may not be able to report on a particular KPI and this will be taken into consideration at the end of the reporting period. NCFs can also make use of the '**Comments**' field as required. The NCF is also allowed to include any additional KPIs that it considers to be relevant for reporting purposes. When the NCF is preparing its final report for the end of the reporting period, the **Actual** values of the KPIs need to be completed for each KPI identified.

KPI STRUCTURE

The KPIs' shall be divided into 4 main categories as follows:

Core: These KPIs are related to the technical operations of the federation. It includes number of active players, number of tournaments, average player ratings as well as supporting 'infrastructure' e.g. number of arbiters, trainers ETC. Most of this information can be sourced from by FIDE via its website or from the Elista office. This KPI allows FIDE to ascertain the quality/quantity of the players, technical officials, events, etc...

Social/Special: These examine the engagement in additional programmes related to the work of other FIDE Commissions and their priorities. These include: females, kids/chess in education, vulnerable groups (refugees, people with special needs, chess in prisons etc.). Federations are encouraged to engage in at least one such programme. This KPI allows federations to fulfil the horizontal goals of FIDE as chess impacts several aspects of society.

Promotion: This includes the focus on the dissemination and profiling of chess activities of the federation and FIDE support. This should include mainstream and social media. It is important that chess activities are highlighted so persons within the wider communities understand the value of chess and the role of FIDE which can increase the opportunities for support.

Partnerships: This includes sponsors, strategic partners whose objectives are aligned to the federation. Strategic partners can include other government agencies, NGOS, media outlets. This KPI tracks the efforts of federations to engage other partners in the support of their mandate so as to build increased sustainability.

Of course, Federations can also include any other KPIs they see as relevant to their operations. The KPIs are listed in the table below.

Subject: RE: Barbados Chess Federation request for FIDE Funding Programme 2022

Dear Danara,

The Barbados Chess Federation wishes to request permission for a change in use of funds for the USD\$ 5,000 approved earlier this year.

Regrettably, we are yet to start the planned community chess programme for which the funding was approved. We are still awaiting the permissions to start from the Sports and Community Development Ministries, who are key programme partners and the managers for the various sports and community centers we plan to use.

We therefore request that the funding be used to support the costs for our contingent participating in the **17th Central American and Caribbean Youth Chess Championships** which will be held in Tegucigalpa, Honduras from November 19th to November 25th, 2022. Attached is the official Invitation for the Championships.

This will be the first in-person edition of the championships as the 2020 championships were cancelled and in 2021 it was played using a hybrid online format.

At the 2021 championships Barbados posted its best medal performance for a CAC Youth with two Gold, one Silver and one Bronze.

Our four-member contingent comprises three of the medalists from last year and below is the make-up by age category:

- **Under-18 Open:** Louis Wilson
- **Under-18 Female:** Gaybrianna Johnson-Moore (2021 Silver Medalist)
- **Under-14 Female:** Hannah Wilson (2021 Gold Medalist) and Chanon Reifer-Belle (2021 Bronze Medalist)

Because the contingent comprises two young female minors, two parents will be accompanying the contingent as chaperones and, together with the players and Head of Delegation (HOD) the full group travelling to Honduras will comprise 7 persons.

Below is the budget for the 4 players, HOD and 2 accompanying parents:

Expense Item	Total Cost (USD \$)
Return airfare to Honduras for Players	6,636.00
Registration & CCA Entry Fee for Players	540.00
Hotel & Meal November 19-27 for Players	2,340.00
Taxi for Players	160.00
Return airfare to Honduras for HOD	1,659.00
Accreditation Fee for HOD	10.00
Hotel & Meal November 19-27 for HOD	585.00
Taxi for HOD	40.00
Sub-Total	11,970.00
Return airfare to Honduras for Parents	3,318.00
Accreditation Fee for Parents	20.00
Hotel & Meal November 19-27 for Parents	1,170.00
Taxi for Parents	80.00
Sub-Total	4,588.00
	\$ 16,558.00

On the behalf of the Barbados Chess Federation, I once again wish to our gratitude to FIDE's Planning and Development Commission for its continued assistance and look forward to a favourable response to our request.
