

APPENDIX C - KEY PERFORMANCE INDICATORS

NATIONAL CHESS FEDERATION (NCF): LIECHTENSTEIN
CONTINENT: EUROPE
DEVELOPMENT LEVEL: 3
PERIOD: 2022

KEY PERFORMANCE INDICATORS (KPIs)¹ are the critical (key) indicators of progress toward an intended result.

The NCF is required to measure the effectiveness of its programmes using the KPIs listed below. At the beginning of the period, the NCF is expected to complete both the **Baseline** and **End of Period-target** values. It is possible that a Federation may not be able to report on a particular KPI and this will be taken into consideration at the end of the reporting period. NCFs can also make use of the '**Comments**' field as required. The NCF is also allowed to include any additional KPIs that it considers to be relevant for reporting purposes. When the NCF is preparing its final report for the end of the reporting period, the **Actual** values of the KPIs need to be completed for each KPI identified.

KPI STRUCTURE

The KPIs' shall be divided into 4 main categories as follows:

Core: These KPIs are related to the technical operations of the federation. It includes number of active players, number of tournaments, average player ratings as well as supporting 'infrastructure' e.g. number of arbiters, trainers ETC. Most of this information can be sourced from by FIDE via its website or from the Elista office. This KPI allows FIDE to ascertain the quality/quantity of the players, technical officials events, etc...

Social/Special: These examine the engagement in additional programmes related to the work of other FIDE Commissions and their priorities. These include: females, kids/chess in education, vulnerable groups (refugees, people with special needs, chess in prisons etc.). Federations are encouraged to engage in at least one such programme. This KPI allows federations to fulfil the horizontal goals of FIDE as chess impacts several aspects of society.

Promotion: This includes the focus on the dissemination and profiling of chess activities of the federation and FIDE support. This should include mainstream and social media. It is important that chess activities are highlighted so persons within the wider communities understand the value of chess and the role of FIDE which can increase the opportunities for support.

Partnerships: This includes sponsors, strategic partners whose objectives are aligned to the federation. Strategic partners can include other government agencies, NGOs, media outlets. This KPI tracks the efforts of federations to engage other partners in the support of their mandate so as to build increased sustainability.

Of course, Federations can also include any other KPIs they see as relevant to their operations. The KPIs are listed in the table below.

APPENDIX D – REPORT ON FUNDING

3. Summary of Project Outcomes:

1.) Youth Chess Development in Liechtenstein (CIS Project)

In the 2021/22 school year, a total of 153 students in 4 communities and 12 classes were involved in the CIS Chess in School project. The project is growing steadily and unfortunately it is still not financially supported by the Liechtenstein Ministry of Education, but by foundations and private sponsors.

2.) Support of National Teams

Thanks to the financial support of FIDE the Liechtenstein National Team was able to participate at the 44th Olympiad in Chennai, India.

We also had a Team in the European Senior Team Championship in Dresden.

One of our Juniors took part at the EU Championship U12 in Graz, Austria

3.) Continuation of the 37th International Youth Tournament Liechtenstein

In the 37th edition of the International Liechtenstein Youth Tournament, the Liechtenstein Chess Federation LCF welcomed a total of 87 participants from 9 Nations. The tournament was a complete success. Participants, Coaches and parents were extremely happy about the fantastic tournament.

4.) Formation of a women's squad and installation of an ambassador for women's chess in Liechtenstein

The Liechtenstein Chess Federation LCF is very proud to install a women's squad in 2022 and with WFM Dr. Anita Stangl to have found a great Ambassador for our women's chess.

Two weeks later, Dr. Anita was also appointed Ambassador by the German Chess Federation, Which is a great honor for us and from whose cooperation the LCF will certainly profit a lot in the future.

At the moment there are 7 women involved in the LCF women's chess squad.

5.) Organization of the ESNA Individual Championship in Liechtenstein 24th of SEP to 2nd of OCT

The Liechtenstein Chess Federation LCF hosted the 4th ESNA Individual Championship in Vaduz, Liechtenstein. The tournament was perfectly organized. We received a lot of compliments not only for the fantastic venue and the great opening- and closing ceremony, but also for the interesting side events.

5.) Any funds not yet used? Yes _____ No X

If No, please provide reasons and details on how and when the funds will be utilised:

I would like to state that the logic above is wrong!

It should say "If **YES**, please provide reasons and details on how and when the fund will be utilized:"

6.) Lessons Learned/Future Improvements:

We, the Liechtenstein Chess Federation LCF, are pleased that FIDE supports us with USD 5,000 every year. This helps us a lot to achieve our goals, especially in projects like CIS Chess in School and in the education and training of our youth players.

APPENDIX D – REPORT ON FUNDING

We will continue to do our utmost to further develop chess in the schools in Liechtenstein, but also to create opportunities for older chess players and especially for all our youth players.
