## APPENDIX D/1 – CONTENT REPORT FORM

A strategic decision was made to begin the school chess programs with primary schools in 2024, following up with programs for secondary schools in 2025. Other local chess events were set for next year due to a shortage of time and resources in 2024.

Funding to assist in purchasing chess materials and bringing in a chess trainer for the initial school program was delayed with the training at 8 primary schools beginning in May 2024. The time and effort this year has been the organizing, initial training sessions, and follow-up for these primary schools. Three chess sets and one clock were donated to each school to get them started. Several schools have already indicated a desire to purchase additional chess sets as student interest grows in their program.

The Tonga Chess Federation sent a delegate, Mr. Bill Sanft, to the 100<sup>th</sup> anniversary 2024 FIDE General Assembly in Budapest, Hungary in September. At the General Assembly Mr. Sanft was able to meet many delegates from other countries as well as FIDE officials all of which will be of assistance in growing our chess programs in Tonga. The Federation assisted Mr. Sanft with the travel expenses.
