We managed to form a women's team for the first time with a view to participating in the Chess Olympiad which took place in Budapest, Hungary and this is thanks to the FIDE PDC program and the managers of this program who gave us good advice and guidance in this project. It must be said that we were surprised by the result achieved by this team which is participating for the first time in an international tournament with a victory and 4 draws and a WCM title for the player Mina Hamam. We warmly thank FIDE through its PDC program which allowed us to form a respectable women's team and I hope that in the future this help will allow us to develop chess in several sectors in our country.

Our participation in the African Youth chess championship AYCC was beneficial for our young players for their experience and were well ranked despite the fact that they could do much better, moreover one of these players Abdou Ahmed Alem had a CM title just after at the chess Olympics in Budapest in Hungary and was fourth in the Arab youth championship in Sousse in Tunisia. We thank FIDE through the PDC program for the valuable help which has allowed our young players to progress and achieve good results.
